IIP/HO/Mumbai/Laboratory/2021

23/12/2021

NOTICE

It is hereby informed that Laboratory general testing charges and UN certification charges are revised and will be effective from 1st January, 2022.

UN certificates issued from 1st January 2022 will have a validity of eighteen months for ISO certified companies and nine months for Non-ISO companies. The revised charges and extension is applicable for UN application/s submitted on or after 1st January, 2022.

The charges for additional UN certificate and additional exporter for Un certification will remain same as earlier.

There will be no extension of validity for UN certificate/s issued before 31st December, 2021.

For more information, please contact IIP Mumbai (Head Office) Laboratory Division and Regional Centres.

Dr. Tanweer Alam
(Director I/C)
