About National Conference on

“Export Packaging for safe transport of Dangerous Goods by Sea/Air & UN Certification”

About IIP: The **Indian Institute of Packaging (IIP)** is an autonomous body under the aegis of Ministry of Commerce & Industry, Government of India with its head office at Mumbai and branches are located at Delhi, Kolkata, Chennai, Hyderabad and recently started its activities at Ahmedabad. The main objective of the Institute is to promote the export market by way of innovative package design and development and also to upgrade the packaging standards at National level. Keeping in view of this objective, the Institute has been providing the services to a large number of packaging and user industries in India and the neighbouring countries for the last 55 years.

Objective of Conference

- To disseminate information on significance of UN Certificate for the export packaging of dangerous goods.
- To create a common platform for exporters involved in activities of dangerous material and the manufactures of packaging materials for bulk packaging of dangerous goods.
- To educate about responsibilities, rules, regulations, and procedures for UN certification to various exporters, **Shippers**, and **transporters** as well as the **manufacturers of packages** for carriage of dangerous goods.
- To provide knowledge about the various test procedure involved in testing and quality control of bulk packages used for carriage of dangerous material.
- To promote export of dangerous goods those declared by UN through sea and air.
