- ◆ The Indian Institute of Packaging (IIP) is an autonomous body under Ministry of Commerce & Industry, Government of India with its head office at Mumbai and branches are located at Chennai, Delhi, Kolkata, Hyderabad, Ahmedabad and recently started its activities at Bengaluru.
- ◆ The main objective of the Institute is to promote the export market by way of innovative package design and development and also to upgrade the packaging standards at National level. Keeping in view of this objective, the Institute has been providing the services to a large number of packaging and user industries in India and the neighboring countries.
- ◆ The Institute is authorized by **Directorate General of Shipping** and **Directorate General of Civil Aviation, Govt. of India** to undertake testing of bulk packages for the carriage of dangerous goods for export and also to issue the **UN Certificate**. The Institute has been providing these services for more than four decades.
- ◆ In order to disseminate this information to the relevant industries, the Institute is organizing a one day National conference on “**Export Packaging for Dangerous Goods**” at Hotel Ramada Plaza, Guindy, Chennai on 08th November 2024.
