Indian Institute of Packaging
An autonomous body under the Ministry of Commerce & Industry, Govt. of India
Chennai Centre

The Indian Institute of Packaging (IIP) was set up as a National Institute jointly by the Ministry of Commerce & Industry, Government of India and the Indian Packaging Industry and allied interests in 1966 with its Headquarters and Principal Laboratories at Mumbai and other Regional Centres at Chennai, Delhi, Kolkata, Hyderabad and Ahmedabad.

The main objective of the Institute was to promote export market by way of innovative package design and development as well as to upgrade the packaging standards at the National level. Keeping in view of this objective, the Institute initiated its various activities such as Testing of Packaging Materials and Packages, Training and Education, Research and Development and also Consultancy Services related to packaging. The Institute has Testing Laboratory with sophisticated testing equipment for the testing of packaging materials and packages and the Testing Laboratory is accredited to the National Accreditation Board for Testing and Calibration Laboratories (NABL) as per ISO/IEC:17025 2017. The Institute is authorized by the **Directorate General of Shipping (DGS) and Directorate General of Civil Aviation (DGCA), Government of India for the testing of bulk packages for the carriage of hazardous goods for exports by Sea and Air respectively.**

In addition to the above, the Institute also conducts Collaborative; In - Plant / Company Oriented Programmes and In-Laboratory Hands-On Trainings in the field of Packaging.

Who Should Attend:

All packaging professionals including Packaging Material Manufacturers, Converters, Dangerous Goods Manufacturers, Users of Packaging Materials, Consignor, Logistics, Packer, Consignee, Packaging Engineers, Scientists, R&D Professionals, Students who wish to enhance their knowledge in Packaging.

Thank you and Looking forward to your participation.

Regards,
Mr. R. Pon Kumar, Deputy Director & Regional Head
