भारतीय पैकेजिंग संस्थान
Indian Institute of Packaging

An autonomous body under the Ministry of Commerce & Industry, Govt. of India

Endorsed by

National Awards for Excellence in Packaging, Packaging Machinery - Design & Development

The Organisers

The Indian Institute of Packaging is an autonomous and apex body set up by Ministry of Commerce & Industry, Govt. of India and the Industry for promotion of packaging standards in the country in 1966. With its headquarter and the principal laboratories in Mumbai and other regional offices and laboratories, the activities of the institute are in line with those of the world's premiere packaging Institutes.

IIP's activities include training, education, research & development, organizing seminars, conference and exhibitions, awards consultancy and projects, laboratory testing, quality evaluation of packing material and packages, information, publication, membership services and many more. The Institute is closely linked with all international organizations concerned with packaging technologies. IIP is the only national Institute representing India at Asian Packaging Federation (APF) and World Packaging Organisation (WPC).

INDIASTAR

Objective

To encourage improvements and give recognition to innovative concepts in packaging. INDIASTAR Awards are all about promoting and encouraging excellence in packaging design. Innovation and technology. The Award Contest established in 1972 is firmly entrenched and most popular & premier event for India's Packaging fraternity.

Eligibility
